Dear 

I have had the privilege of being the head of the Safer Neighbourhoods Operational Command Unit since October 2005 and since then I have been consistently amazed by the professionalism and dedicated work that is performed on a daily basis. Our work is exceptionally varied and whilst it often takes place as part of a small team it impacts on every area of London. Together, the work we undertake is having a significant impact on the Citizen Focus agenda for the Metropolitan Police Service.

I am delighted to inform you that in acknowledgement of your work I have awarded you an OCU Commanders Commendation. I would like to present this to you personally at a ceremony on Monday 18th June at Empress State on the 27th Floor at 2pm. This will be a celebration event and you may wish to invite your family in acknowledgement of the support they give to you.

Please could you therefore let my Staff Officer, Tracey Warren, know if you will be attending on June 18th, if you will be bringing guests and also if you have any special requirements.

Yours sincerely,

**Ch Supt Stephen Bloomfield

Dear John,

I wanted to formally thank you for your dedication and commitment at the Met Volunteers event held on Monday 10th Nov at the Royal Festival Hall.

The evening was a great success with very positive feedback all round and I believe it was one of the best events that we have held to recognise the incredibly important and growing role volunteers play in delivering policing in London. This is in no small way due to the immense amount of planning and preparation that went into the evening and I am extremely appreciative of the enthusiasm and attention to detail that you displayed.

Once again, I want to recognise and thank you personally for a hugely successful event, which is a credit, not only to you and the Safer Neighbourhoods Unit, but the MPS as a whole.

Yours sincerely,

Rod Jarman
