Dear Mr Brookes

Outcome of the 2022 National Multicultural Festival Grants Program (2022NMF008)

I am pleased to inform you that The New Weddington Isles has been successful in securing funding of \$2,731.00 under the 2022 National Multicultural Festival Grants Program.

As you are aware, the ACT Government recently made the difficult decision to postpone the 2022 Festival to 2023. We are pleased to support multicultural communities and organisations with an amount of funding to hold an event or fundraising activity.

If you are interested in being considered for inclusion in Events ACT's Canberra Day celebrations, please register your interest via the National Multicultural Festival website:
www.multiculturalfestival.com.au

The Community Relations and Service Funding Support team will send a Letter of Offer which details how to accept the grant, terms and conditions and contact details should you require any assistance.

In the meantime, should you have any queries, please contact the National Multicultural Festival team by email at inbox@multiculturalfestival.act.gov.au

I wish your organisation every success in using this funding towards an event or activity in 2022.

Yours sincerely
